| Shipping Weight (Gross) | 1.48 kg |

Features

Quiet cordless lawn mower for efficient mowing, collecting and mulch of plots of land up to 800 m²

Mowed material is optionally ejected at the back, collected in the flexible collection bag or mulched immediately

Powerful brushless motor for high cutting performance and long runtime per battery pack charge

Automatic adaptation of the motor performance depending on the grass height for maximum battery pack runtimes

Central, easy-to-operate cutting height setting in 7 stages

Easy steering and tracking by means of smooth running wheels and height-adjustable push handle with rubberised grip area

Robust and durable thanks to metal cover and high-quality mower blade

Double protection from unintentional startup thanks to safety key and safety switch

Easy transport and space-saving storage thanks to carry handles and double folding bow handle

Well-visible capacity display for checking the battery pack charge status

Environmentally-friendly and quiet thanks to battery operations, therefore usable also in areas sensitive to noise

100% compatibility with the 18 Volt class: powerful 36 Volt operation with two 18 Volt battery packs from Metabo

23 Exhibition Drive, Malaga Western Australia
