Shipping Weight (Gross)	1.48 kg

Sharpen and finish a variety of tools with just one stone using the Norton Crystolon/India Combination Abrasive Benchstone. Combining silicon carbide and aluminum oxide abrasives results in quick sharpening and a consistent finish, making these benchstones a cost-effective solution to your sharpening needs. Ideal for hand dimensioning and sharpening of knives, plane blades, chisels, and scrapers. For best results, use with oil.

Features:-

Combination coarse/fine aluminium oxide sharpening stone
Fine grit ensures a keen edge on tools
Long lasting

Applications:-

Suitable for sharpening chisels, plane blades and HSS tools
