The 533mm x 75mm Rubin 2 sanding belts are an ideal abrasive for hardwoods and softwoods, wood composites, and veneers. Compatible with Festool BS 75 Belt Sander. Rubin 2 sanding belts range from P40 for rough surface finishes or to prep for higher grits up to P150 grit abrasives for finish sanding on softer woods. Durable closed coated aluminium oxide sheds wood fibres as it abrades material surface, leading to faster material removal and a cleaner finish.
