Barcode	8421752038745
Brand	Virutex
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Multi sander LRT84H, orbital and rotary orbital, in one machine. Its ergonomic design makes it less tiring to use and the controls more easily accessible. Like the Orbital sander it includes an extra base with a delta shape for velcro sanding sheets, making it ideal for sanding difficult to reach surfaces such as frames, blinds etc. Like the rotary orbital it combines two movements (rotary and orbital) leaving totally smooth mark-free surfaces. It includes a disc for velcro sanding discs. Electronic speed control to choose the most suitable speed for the material. Brake system for the disc to prevent over-acceleration when not loaded. Integrated dust aspiration.
