Part Number	33-894
Barcode	076174338942
Brand	Stanley
Size	8m
Packaging + Shipping	
Shipping Weight (Gross)	0.596 kg

The STANLEY® FATMAX® Xtreme™ 8M Tape Measure, with 32mm blade width for clear and legible markings, is class II accurate, providing a reassuring +/-0,5mm error tolerance at 1m, suitable for the majority of professionals. Its abrasion resistant polyester film coated blade coating provides up to 10 times more resistance to abrasion than a standard lacquered blade, with additional BladeArmor® coating, reinforcing the first 7.5cm of the blade, the section most vulnerable to wear. The tape measure features a 32mm blade width and an impressive reach of 4.9 metres The TRU-ZERO™ hook helps to achieve precise inner and outer measurements, moving back and forth along the securing rivets. Highly polished chrome case with rubber grip to ensure slip resistant hold to withstand heavy use on the jobsite. The tape comes with a large, protruding oversized multi-catch hook, significantly larger than a conventional hook and protruding on all edges - shaped to hook onto building materials with ease above, below and to either side. The bright yellow STANLEY blade ensures enhanced visibility in most jobsite conditions.

Features:

ABRASION RESISTANT POLYESTER FILM COATED BLADE provides up to 10 times more resistance to abrasion than a standard lacquered blade, increasing the life of the tape and reducing wear on most heavily used sections of the blade. BLADEARMOR® COATING reinforces the first 7.5cm of the blade, the section most vulnerable to wear.

TRU-ZERO™ HOOK for precise inner and outer measurements, moving back and forth along the securing rivets to account for the hook thickness.

LARGE, PROTRUDING OVERSIZED MULTI-CATCH HOOK, significantly larger than a conventional hook and protruding on all edges - shaped to hook onto building materials with
