Grinder Cover for T-7, T-3, and T-4 Sharpening Systems MH-380 by Tormek

Features:-

Protect your TORMEK machine from wood dust and debris
Extends the life of the Tormek Super Grinder
Fits with or without Profiled Honing Wheel attached

Description:- Tormek MH-380 Machine Cover is for protecting the machine from shavings and wood dust. Dust can build up in your shop, and this cover is a simple and sound investment that protects your valuable machine from dust and debris. This is crucial, since harmful dust can settle into the leather-honing and profiling wheels to reduce the performance of your otherwise fantastic grinding machine. So, get a Tormek Machine Cover today, and watch your grindstone last decades. It's suitable only for the large Tormek grinding wheels 2000 - 2006, and T-7. Grey in color. Extends the life of the Tormek grinders.
