Model	
Type	Benchtop Connector
SKU	39654
Part Number	083430
Brand	Artia
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Simple, economical and very effective connection system for joining bench tops, thick panelling and other critical edge to edge joints.

### Features

Steel bodies and connecting bolts.

The body is inserted into the borings and clamping pressure is applied with the nut.

### For 65mm

Mounting-body requires 35mm diameter x 20mm minimum depth boring. A 15mm (w) x 20mm (d) groove between the two borings is required for the connecting bolt.
