65mm Spiral Cutter Planer Blade 488503 by Festool

Standard replacement blade for EHL 65 Planer . Spiral cutter engages the material with a slicing action, similar to that of a skewed angle hand plane, generating less chatter and a smoother cut . Durable solid carbide spiral-cutting blade generates consistent results over a long service life. Self-aligning blade make for quick and easy blade changes - loosen 3 screws, replace the blade, re-tighten screws and you're done.
