SKU	Option	Part #	Price
39762		RH43W	\$50

Model	
Type	Quick Clip Connectors
SKU	39762
Part Number	RH43W
Brand	Corna
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	100

Features

The Quick Clip is a fast nail on alternative to all other methods for attaching work-tops.

The #8 (4mm) screw hole has been angled for ease of screwing providing side clearance for drill, power screwdriver and knuckles.

Quick clip comes with zinc-plated nails in place ready for attaching

Utilising the #6 (3.5mm) screw hole in the direction of the nails, the Quick Clip becomes an all round component connector.

Using the Quick Clip for attaching panels will often reduce the need for back rails. It will be particularly suitable for one-off constructions saving multi borer set-up and also as a back up when multi boring has not been anticipated.
