Packaging + Shipping	
Shipping Weight (Gross)	0.43 kg

MILWAUKEE Aviation Snips are built for long life and durability. Forged blades deliver up to 10X more cuts than cast blades. Bolt Lock ensures the blades won't loosen and chrome plating provides rust protection. The flush pivot bolt won't hang up on material for easy use. The metal lock secures the tool for storage and is easily operated with one hand. Ideal for left or straight cuts.

- Features:**
- Forged serrated blades: Stronger and will stay sharper for longer when compared to cast iron blades.
 - One-handed metal lock: Secures tool closed for storage with ease
 - Bolt lock: Blades won't loosen or separate
 - Flush bolt design: Snips won't get caught or hang up on material
 - Ergonomic grips: Designed for all day use without hand fatigue
 - Chrome plated: For protection against rust
 - Serrated jaws: Cuts up to 18ga CRS (Cold Rolled Steel) & 22ga SS (Stainless Steel)
- Specifications:**
- Blade: Forged Serrated Blades
 - Stainless Steel: 22ga
 - Cold Rolled Steel: 18ga
