26mm Polishing Wheel 429 by Dremel Dremel has created a range of Multi-Tool accessories to suit all your needs, including the EZ SpeedClic system to change your accessories quick, easy and keyless. To help you select the right accessories, Dremel has created a colour coding system: every colour represents a category of applications. No matter which materials you want to work with, Dremel has a solution for you. **Features:-**

Ideal for general polishing of most ferrous metals, stones, glass and ceramics

A felt accessory continually renews its own surface while being used

Felt polishing accessories may be used with or without polishing compound

Use 414, 422 and 429 with mandrel 401
