

3.75KVA UTILITY GENERATOR WHXC3750 BY WESTINGHOUSE

SKU	Option	Part #	Price
407581		WHXC3750	\$1189

Model	
Type	Utility Generator
SKU	407581
Part Number	WHXC3750
Brand	WestingHouse
Technical - Main	
Power Source	Unleaded Petrol
Battery Voltage (V)	240V
Dimensions	
Product Weight (Net Weight)	52 kg
Packaging + Shipping	
Shipping Weight (Gross)	52.0 kg

Westinghouse Utility Series generators are compact, high performance units designed specifically for Australian operating conditions. Equipped with a unique combination of premium quality features, they offer superior value for money and are an ideal backup power supply for your home, business or farm.

Features:

Reliable Performance High output and fuel efficient Westinghouse 208 cc 4-stroke overhead valve petrol engine.

Quiet Operation Oversized Pulse-Flo muffler and anti-vibration rubber mounts ensure low noise output.

Long Running Extended run time from the long range 15 litre fuel tank with integrated gauge and strainer.

Safety Protection Electrical overload circuit breakers and low engine oil level shutdown safeguards

Stable Power Digital AVR controlled sine wave output for precise and stable electricity supply.

Premium Features Copper wound alternator, full steel roll frame, fold-down handles and Never-Flat wheels.

Clean Air Technology Compliant with Australian and US EPA emissions standards to minimise environmental impact.

Easy To Use Yellow-coloured touch points guide you to the controls required for normal operation.

Plug and Play Everything you need is in the box. Just add petrol. Minor assembly required.

Warranty Protection 2-year domestic use warranty to safeguard your investment (conditions apply).

Specifications:

3,750 Starting Watts / 3,000 Running Watts

208 cc Westinghouse 4-Stroke OHV Petrol Engine

16.8 Hours Run Time @ 50% Output with 15 Litre Fuel Tank

Dual 240 Volt AC Outlets and a 12 Volt DC Outlet

VFT Meter Displays Voltage, Frequency and Run Time

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm
