INTERFACE PAD 80MM X 133MM - 490160 BY FESTOOL

Foam interface pad for sanding delicate surfaces such as profiles and contours. Narrow, rectangular pad for fast and efficient sanding of narrow stock, edges, and frame components. StickFix hook and loop design for quick and efficient abrasive changes which enables re use of partially used abrasives. Turbo dust extraction maximizes dust removal, and helps the tool run cooler, extending pad and abrasive life.
