

600W 82MM PLANER 2.5MM DW680-XE BY DEWALT

Features:

A large planer blade drum rotating at high speed provides an excellent finish

Low weight and perfect balance make this planer ideal for single handed use in awkward applications

High power motor for smooth results, even in hard woods

3 different size chamfering grooves in the front shoe simplify precision fitting jobs

Front handle depth control in clearly marked 0.1 mm steps for accurate setting with a positive stop position

Rubber coated front handle eliminates slipping for greater comfort and control

Specifications:
