1220MM T BAR SASH CLAMP EC-ETBR48 BY ECLIPSE

SKU	Option	Part #	Price
43711		EC-ETBR48	\$116

Model	
Type	T Bar Sash Clamp
SKU	43711
Part Number	EC-ETBR48
Barcode	5012095070290
Brand	Eclipse
Size	1220mm (48")
Technical - Main	
Bar Length	1370mm (54")
Clamping Capacity / Span	1220mm (48")
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

1220mm T Bar Sash Clamp EC-ETBR48 by Eclipse

A range of T Bar clamps for a wide range of wood working applications including gluing of large pieces of wood and furniture Replacement tail slide, peg and chain available. Average clamping force of 1000kg (2200lbs). The drilled feet in the fixed head enable the clamp to be mounted to a workbench. The ductile head and slide are guaranteed unbreakable, whilst the steel bar offers maximum tensile and yield strength. The slightly tapered jaws enable perfectly parallel clamping and the fast action rolled thread applies pressure quickly and smoothly to the workpiece.

Features:-

Manufactured from a rigid "T" bar section steel bar fitted with a ductile iron head and slide

Steel T Bar offers maximum tensile and yield strength and resists twisting under high clamping pressure and can achieve an average clamping force of up to 1000kg

The ductile head and slide are guaranteed unbreakable

Tommy bar will bend before the clamp becomes over stressed

Twin start rolled acme thread applies pressure quickly and smoothly to the workpiece

The drilled feet in the fixed head enable the clamp to be mounted to a workbench

The slightly tapered jaws enable perfectly parallel clamping

Slide secured by a solid steel pin passing through one of the location holes spaced along the steel bar

Ideal for clamping large and heavy pieces of furniture and wood when gluing
