The Clifton Bench Plane no. 6 has a cutter width of 2 .3/8" (60mm) and is used as a Fore plane. 18" long with a 2-3/8" blade the Clifton No. 6 fore plane is a more manageable size than a full length jointer and perfectly capable of accurately jointing edges up to 6 feet long. A beautiful plane to use and with 3.7 kg behind it, the Clifton No. 6 makes an excellent choice for shooting as well as jointing boards and flattening large panels.
