71 Series Staples

Fine wire staples are lightweight fasteners commonly used in industries such as upholstery, crafting, and carpentry applications. These staples are made from thin-gauge wire, allowing for discreet and inconspicuous fastening. With their narrow crown and sharp points, fine wire staples provide precise and neat attachment of materials ensuring a clean and professional finish in projects that require subtle and unobtrusive fastening.

Applications

Upholstery, padding, caravan manufacturing, picture framing, cupboard backing boards, sarking, insulation, labeling, mattress bases.
