5401	Size: Gel 4L	MX69GEL/4L	\$184
8706029	Size: Liquid 4L	MX69LIQ/4L	\$165

Megapoxy 69 is a translucent clear non-sag gel type epoxy. Ideal for structural bonding of metals to metals, metals to concrete and masonry, assembly of granite and marble fabrications, and many other civil engineering applications requiring superior bond strengths. It is also ideal for structural timber joinery and applications in the marine environment. It retains its high strength after repeated high impact forces.

*Also available as a liquid form.

Options

- MX69GEL/1L
- MX69GEL/4L
- MX69GEL/20L
- MX69LIQ/4L
