### 10Pce Combination Punch Set LPS110 By Kincrome

#### Description:-

Finkel Punches & Chisels are manufactured from hardened and tempered top grade carbon alloy steel. This increases strength and durability, and reduces brittleness and tool stress.

- Punches & Chisels are available individually and in sets.
- All punches have knurled grips for easy and sure handling.
- The striking end of all Centre Punches and Nail Punches has been tempered to prevent the head from shattering during striking.

Finkel Punches & Chisels are used for a variety of uses:

#### Centre Punch

- For piercing and marking, or for preparing drill spots in metal and other materials. Pin Punch
- For driving out and removing already loosened pins and keys after the initial movement by a starter punch. Starter Drift Punch

- For loosening frozen or tight pins and knocking out rivets.
- For installing and removing pins and shafts.
- Also used to align holes in two or more pieces.
- Manufactured from high grade carbon alloy steel, hardened, tempered and blackened.
- Supplied in convenient plastic wallet.

#### Combination Punch Set sizes:

- 4 Centre Punch: 3, 4, 5, 6.5mm
- 4 Long Pin Punch: 3, 4, 5, 6.5mm
- 2 Starter Drift Punch: 3, 6.5mm
