Product Width	160 mm
Product Height	60 mm
Product Weight (Net Weight)	5.51 kg
Packaging + Shipping	
Shipping Weight (Gross)	5.512 kg

Kincrome sledge hammers are manufactured with ultimate strength and durability in mind. The graphite core in the fibreglass handle provides additional strength and the rubber overstrike collar helps to prevent damage to the handle if a miss-hit occurs. The ergonomic and long rubber handle allow you to maximise your striking force for those hard hits.
