### Industrial Hand Riveter CL600 by Kincrome

The Kincrome Compact Industrial Hand Riveter packs professional features in a compact but extremely tough chassis that fits in your pocket and has been designed and tested to Tradesman specifications. The feature packed riveter includes a shank long nose, triple moulded grips, a rubber rebound damper, easy spent mandrel ejection and is constructed using an industrial strength cast aluminium body, tough alloy steel handle with heat treated steel jaws making it suitable for both aluminium and stainless steel rivets.

Features:-

- Compact design that fits into your pocket
- Long nose for hard to reach areas
- 3 interchangeable nozzles: 2.4mm (3/32), 3.2mm (1/8), 4.0mm (5/32)
- Triple moulded grip for comfort and fatigue reduction
- Installs 2.4mm rivets in one compression stroke
- Rubber damper to reduce rebound shock
- Easy spent mandrel ejection
- Industrial strength cast aluminium body, alloy steel handle and heat treated jaws
- Suitable for aluminium and stainless steel rivets
- Includes nozzle spanner
