Brand	Kincrome
Technical - Main	
Lumens	2 x 2000 Lumen
Material	Steel Frame
Dimensions	
Product Weight (Net Weight)	5.1 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The Kincrome 2 X 20W SMD LED 2 in 1 Worklight is the perfect solution for lighting up your working area! The Surface Mounted Device LED technology reduces heat generation compared to your standard Halogen Worklights. Do not underestimate its size, it can produce an impressive 4000 (2 x 2000) Lumens of output and with a 120 ° light angle it's sure to light up your working area with ease. The light weight yet, heavy duty construction allows you to confidently load and unload your worklight from the back of the work vehicle and take on site, time after time. The 2 in 1 Worklight doubles up as a Floor Worklight or as a Tripod Mounted Worklight and includes the telescopic tripod which has 3 adjustable height settings and a convenient soft grip carry handle. The weatherproof IP65 Rating allows you to use the worklight in any conditions, whether it's on site or the workshop, rain, hail or shine! **Features:-**
