Product Length	655 mm
Product Width	465 mm
Product Height	415 mm
Product Weight (Net Weight)	13.92 kg
Packaging + Shipping	
Shipping Weight (Gross)	13.92 kg
Shipping Notes	This product is classified as 'Heavy / Oversized' and generally does not qualify for FREE SHIPPING.

The Kincrome 50L Tow Behind Broadcast and Spot Sprayer is a must have for vineyards, hobby farmers and acreage lot owners. Simply connect the included hitch to your ATV, ride on or garden tractor to spray weeds, fence lines and tops of trees up to 3.65m tall. Spray water or pesticides (including Round-Up®) with the broadcast option which has a 2032mm overall spraying width, or use the hand held spot sprayer with a 3.8m reinforced braided PVC clear hose for more selected direct applications. The unit has an extra thick (4mm) 50L UV-resistant tank which is compatible with virtually all herbicides and pesticides including RoundUp® and has liters and gallons marked onto the tank to make it easy to monitor and measure fluid levels accurately. Equipped with a top quality Kincrome 12V on demand 100% duty cycle pump, allowing you to get the job done quickly and efficiently, without stopping for cool down time. The heavy duty all steel trailer chassis has been powder coated to prevent corrosion, increase durability and longevity to ensure it lasts for many seasons. There is a convenient drain plug at the base of the tank so it is easy to drain unused liquids bore flushing and vertical storage via the tow hitch.

### Features:

12V 3.8LPM open flow, on-demand pump provides faster priming and longer life; 40 PSI max  
100% continuous duty rating  
Santoprene™ diaphragm and Viton® valves for superior reliability and chemical resistance including Roundup®
