The Kincrome 22,000kg Air/Hydraulic Truck Jack is designed for heavy duty industrial use and professional workshops. It features a long reach T-handle and large rubber wheels for smooth and easy maneuverability. For added safety, it includes a self-retracting spring return feature to ensure complete control during operation. With a lowered height of 227mm and raised height of 452mm (without the saddle), the Kincrome Air Hydraulic Truck Jack provides versatility and reliability for heavy-duty applications. Kincrome Garage Jacks incorporate high-quality seals, materials and design to ensure that they can stand up to professional use.

Features:-

Ideally suited to the professional trade workshop

Industrial workshop quality

Ideal for truck repair/maintenance

Large rubber wheels for easy manoeuvrability

3 Interchangeable saddles

3 Handle settings

Long T-handle allows easy positioning under vehicles with large overhangs
