Type	Small Engine Oil
SKU	5000171
Part Number	K15101
Barcode	9312753032018
Brand	Kincrome
Size	1L
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The Small Engine 4 Stroke Oil is best suited for four stroke lawn mowers and stationary engines like Kincrome Generators & pressure cleaners. It is a monograde SAE Viscosity 30W crankcase oil designed for small petrol and diesel engines requiring an SAE30 monograde oil. It controls oil consumption and deposits and protects against rust, corrosion and wear, leading to longer engine life. Recommended for four stroke petrol engines running on leaded, unleaded or lead replacement petrol, especially Kincrome generators and petrol pressure cleaners. In addition to this, it is recommended this oil be run this oil in the pumps of all pressure cleaners. Use it to top up or refill the pumps in all Kincrome Pressure Cleaners. The Kincrome range of premium oils have been blended in Australia to suit Kincrome equipment!

### Features:

- Four Stroke Lawn Mower and Stationary Engine Oil
- Designed for small petrol and diesel engines
- Protects against rust, corrosion and wear
- Leads to longer Engine life
- Recommended for four stroke petrol lawn mower engines running on Leaded, Unleaded or Lead replacement petrol, especially Briggs & Stratton engines
- Meet warranty service requirements for a wide range of modern diesel and petrol engines
- Maximise engine life by controlling deposits and protecting against wear
- Reduces maintenance costs
- Excellent control of oil consumption
