Ultimate Jobsite Backpack 48228201 by Milwaukee

The Ultimate Jobsite Backpack is designed for ultimate durability, protection, and storage. The backpack has the most durable hard molded base on the market with up to 5x better durability than the competition. Constructed of 1680D Ballistic Material and with rugged metal zippers, the backpack provides unmatched durability. With 48 total pockets including 2 hard-shell pockets that are designed to protect electronics and equipment from impact, the backpack provides exceptional organization. The padded and breathable load-bearing harness evenly distributes the weight for unsurpassed comfort and jobsite performance with up to 2x more padding than competitive units.
