Dimensions	
Product Length	297 mm
Product Width	58 mm
Product Height	114 mm
Packaging + Shipping	
Shipping Weight (Gross)	1.95 kg

Each product within the MILWAUKEE Knockout System was built upon the principles of reducing the tedious steps of hole making, improving the speed of the process, and limiting the fatigue of the user. The M18 FORCE LOGIC 6 Ton Knockout Tool carries these benefits forward to service applications. Its compact, right angle design delivers the best clearance in tight spaces. The Quick Connect Alignment System delivers easy set-up without the weight of the tool, and speeds up repetitive punching. The EXACT punches and dies are rated for both mild and stainless steel punching. Vivid red cross hairs aid in accurate alignment, and the gripping surface on punches enables faster threading. The M18 FORCE LOGIC 6 Ton Knockout Tool delivers the Easiest Way to Punch!

Features:

- Quick connect alignment system
- Enables clearest view of the work surface
- Compact head design for best clearance and versatile use

Specifications:
