Working on a car, bike, machinery, caravan, watercraft or assembly line and find it hard to move around the work area?

The Kincrome Creeper Seat means no more sitting on the cold floor and eliminates extra pressures put on the body when continually having to get up or down from the floor. Easy roll non-marking PU castors and comfortable vinyl foam seat now make the task a pleasure.

With plenty of built-in storage, you can load up the creeper with everything required and easily take it to the job at hand. It really is the perfect accessory for any workshop, garage or assembly line!
