### Description

KINCROME's range of Soft-Grip Pliers are a great value option for advanced DIY and trade professional users.

Each plier is manufactured from forged Chrome Vanadium Steel (Cr-V) with induction hardened & precision machined jaws.

Each plier also features TPR injection moulded soft grip handles for increased ergonomics and reduced fatigue.

### Features

- Electrophoretically plated for superior rust resistance and longer tool life
- Precision machined & induction hardened cutting edge
- TPR handles for better grip & comfort
- Made from Chrome Vanadium Steel

### Technical Specifications

Length 175mm (7")

Material Chrome Vanadium Steel (Cr-V)
