Kincrome Truck & Farm Grease is a NLGI 2 blend, specifically formulated for use in a wide range of farming and agricultural applications. This includes tractors, trucks, machinery and 4x4's. This high performance blend has been developed to provide protection for roller and ball bearings, in particular high load applications. It is also ideal for general automotive chassis greasing, CV joints and other bearing applications. Never mix greases, always flush or clean old grease out before adding new grease.

Features:

Grease Viscosity NLGI 2
