An excellent blade for scroll cutting and making tight curves in a wide range of materials. Achieve very good results in softwood, hardwood, melamine, veneered plywood, chipboard, soft plastics, ABS, HDPE, hard plastics, Plexiglas, acrylics and similar materials. The conical ground teeth ensure very fine cuts even in delicate materials. Festool jigsaw blades are engineered for cutting efficiency, long life, and superior cutting results, with a universal T shank design that fits most professional jigsaws. **Includes:** 5 x Jigsaw Blades
