Blade Length	155 mm
Country of Origin	
Manufactured in	Germany
Packaging + Shipping	
Shipping Weight (Gross)	0.48 kg

The S 155/W jigsaw blade is engineered to cut rigid foam and fiberglass insulation, cardboard, foam rubber, and similar materials up to 5 inches. The undulating blade is designed to give fast and clean cuts in materials that are normally processed with a box cutter or knife. Festool jigsaw blades are engineered for cutting efficiency, long life, and superior cutting results, with a universal T shank design that fits most professional jigsaws.
