Festool systainers offer a rugged, flexible, and convenient means of storing, carrying, and combining tools and accessories. Designed to seamlessly connect to one another and to Festool sortainers and CT dust extractors, the systainer system makes it possible to configure highly mobile, job specific kits, keeping you organized and working efficiently. Made of durable, robust, high quality ABS for a long service life. Systainers share an identical footprint for easy stacking, storing, and transport. Centrally positioned, oversized handle makes it easy to carry heavy loads. Can be connected to SYS Mini Classic, SYS MINI 1 and 3.
