

## 18V LI-ION 3.1AH ERGO BLUETOOTH BATTERY PACK 202497 BY FESTOOL

\$159 inc. GST

<b>Model</b>	
Type	Battery
SKU	5007156
Part Number	202497
Barcode	4014549285510
Brand	Festool
<b>Technical - Main</b>	
Amp Hour	5.2Ah
Battery Voltage (V)	18V
<b>Dimensions</b>	
Product Weight (Net Weight)	0.4 kg
<b>Packaging + Shipping</b>	
Shipping Weight (Gross)	1.48 kg

Innovative battery technology brings power and flexibility to your cordless tools with Festool's range of battery packs. Long lasting, and measurably superior to other cordless tools. Now you can achieve perfect results quickly and easily with the quality you expect, even when you're not near an electrical outlet. Bluetooth® allows automatic starting of the CLEANTEC dust extractor when the cordless tool is switched on (requires use of a Bluetooth®-capable dust extractor); not compatible with all other Festool cordless tools. For use with ETSC 125, DTSC 400, RTSC 400 cordless sanders.

**\*Charger sold separately**

**Features:**

Powerful All-rounder: 5.0 Ah battery packs for endurance and power development for all applications

Quicker charging: In combination with the SCA 8 AIRSTREAM rapid charger, the battery pack is charged quickly and effectively with active cooling before and during the charging procedure

Practical: LED display quickly shows the remaining battery capacity

Safe: All-round frame made from soft-grip material for protecting the machine and setting it down safely on inclined surfaces

Convenient: Bluetooth enables the CLEANTEC mobile dust extractor to be started automatically when the cordless tool

**23 Exhibition Drive, Malaga Western Australia**

Monday - Friday 7am-5pm + Sat 8am-4pm

is switched on (use of a Bluetooth®-compatible mobile dust extractor is required)

With smart extensions: The Festool WorkApp enables clever additional functions in combination with the Bluetooth® function of the battery pack, such as the detailed display of the charging status and further operating data such as temperature or charging cycles. To quickly and easily identify the battery with the lowest charge status, you can flash the LED indicator directly on the battery pack. Software updates are also possible: Install the newest version to work with the latest tool functions at all times

For stress-free work: The battery packs are, of course, completely covered with Festool Service

Bluetooth enables the CLEANTEC mobile dust extractor to be started automatically when the cordless tool is switched on (Bluetooth®-compatible mobile dust extractor is required)

Bluetooth lithium-ion (Li-ion) battery pack with AIRSTREAM function for all Festool 18 V cordless tools (except ETSC 125, RTSC 400, DTSC 400, CTC SYS)

**Specifications:**

Battery Voltage (V): 18V
