The Kincrome Folding Hex & TORX Key range offers an attractive and cost effective solution for tradespeople and DIY users that need to keep a variety of popular high-quality hex keys nearby. Each hex key is manufactured from Chrome Vanadium Steel (Cr-V) hardened and chrome plated with a powder coat finish for rust protection. This all-in-one unit is complete with handy folding storage for an extra level of organisation and ease of use. The durable folding storage includes moulded grip sections for increased grip and a chrome plated centre plate for increased rigidity and durability, allowing for increased torque. **Includes:-**

- Cr-V - Chrome Vanadium Steel
- Sizes: T6H, T7H, T8H, T9H, T10H, T15H, T20H, T25H, T27H, T30H
- Compact for Easy Transportation
- Centre Plate Increases Torque
