Our PACKOUT™ modular storage system is a durable and versatile storage system. The PACKOUT™ compact low-profile organiser is constructed with impact resistant materials so it can withstand harsh jobsite environments. An IP65 rated weather seal protects your tools, accessories, and small parts from rain and other jobsite debris. The small and shallow organiser's interior features 5 removable storage bins that with removable dividers. The transparent lid of the organiser seals the bins to prevent contents from migrating and shifting during transport. Heavy duty latches and reinforced hinges ensure that the slim and compact organiser keeps the contents contained and protected. Our PACKOUT™ modular storage allows you to customise and build your own storage system to easily transport and organise your tools and accessories.

Features:

- Slim Design for Organization of Small Items
- No-Travel Bins Seal Prevent Small Part Migration Between Bins
- Integrated Center Slot For Long Bits and Blades
- Reinforced Hinge Includes 8 small and 2 large bins
- IP65 Rated Weather Seal
- Clear Top For Easy Identification Of Contents
- Heavy Duty Latches
