Type	Hand Tools
SKU	5009202
Part Number	K21017
Barcode	9312753059787
Brand	Kincrome
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	7

FEATURES

Torsion Control zone: Absorbs extreme torque loads to optimise control whilst preventing fastener cam-out, extending the lifetime of your impact bit

Magnetic Precision Tip: CNC machined tips offer a precise fit to prevent stripping and fastener cam-out, magnetised for ultimate control

Impact Performance: PTA is uniquely designed for extreme impact and torque applications. This accessory is manufactured from S2 steel, machined and heat treated

Magnetic Lobular Head: Subtle cam in-hex design applies driving force to the flat surface of the fastener, preventing damage to its corners and a reduction in potential round-off

Magnetic Extreme C-Clip Coupler: Impact rated for high torque applications, driver bit is retained with a magnet and our EXTREME strength C-Clip. Our coupler has been designed so the driver bit will NOT eject

free when in use. NOTE: driver bit is NOT
removable by hand, pliers will need to be
used to remove the bit. For regular bit
changes, use the Kincrome Quick Release
Coupler
