Quantity Per Pack	5

The 225 mm Granat soft abrasives feature an adaptable soft pad ideal for processing very soft ready made fillers and providing a fine, scratch free sanding finish for plasterboard filler, gypsum plaster and pre mixed joint compound. Provides reliable sanding of completely filled Q3/Q4 surfaces, ensures a very high level of adaptability and an even sanding finish on soft scrapers. The premium abrasive Granat impresses in every application with a high material removal capacity, excellent service life and perfect dust extraction. A long service life means the abrasive needs changing less frequently saving time and money.
