Standard Inclusions	Bare Tool Only (No Battery / Charger)
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M12 FUEL Straight Die Grinder is the first cordless straight die grinder that delivers the performance and size professional service mechanics demand. The die grinder delivers maximum power for heavy duty applications and features POWERSTATE Brushless Motor technology. The cordless die grinder provides the user with up to 0.3 HP performance, best-in-class size to help fit in tight places, and offers greater mobility and access to the user through its inline design, while eliminating frustrations of air hoses and compressors. The M12 FUEL Straight Die Grinder features 3-Mode speed control and responsive variable-speed trigger giving unmatched control with most common accessories.

### Features:

- Maximum power for heavy duty applications
- 3-Mode Speed Control
- Optimum performance with 50 mm (2") accessories
- REDLITHIUM-ION battery technology
- 0.3 HP motor output
