Shipping Weight (Gross)	1.48 kg

The M18 FUEL Mud Mixer with 180 ° handle delivers the performance and durability to fully replace corded mixers. With the POWERSTATE Brushless motor it has the power to mix heavy compounds, such as concrete and mortar. Using our REDLINK intelligence the variable speed dial, the variable speed trigger and the lock on button combine to give the user ultimate control for a consistent mix and cleaner working environment. With the M18 REDLITHIUM-ION battery the user can mix up to 15 buckets on one 5.0Ah battery. The 180 ° adjustable handle is designed to allow every user to optimise the handle position for their comfort. This MILWAUKEE cordless solution increases productivity by eliminating the need for cords and allows the user to mix the material at the workspace where it is being applied.

Features:

Power to mix heavy compounds, such as concrete and mortar.

Ultimate speed control: 3 different ways of controlling speed for clean and consistent mixes (8-speed setting dial, variable speed trigger and a lock on button)

180 ° adjustable handle with 16 adjustable settings for optimised preference and comfort

Chuck key with on-tool storage
