The DeWalt 18V XR Brushless Pole Hedge Trimmer, DCMPH566, is a welcome addition to their specialised gardening range and is the perfect solution for anyone trimming hedges at height. The whole machine stays well balanced, especially with the battery attached. For safety, the trigger incorporates a double switch that prevents you accidentally starting the machine.

Features:

- Efficient cutting performance for hard to reach hedge trimming
- Quick and effective cutting
- 7-position, 180° articulating head
- Well balanced design and lightweight for better ergonomics
- Wrap Around Pole ideal for longer and more comfortable use
- Dual-action blades manufactured from hardened steel and laser cut
- 550mm Blade length with 25mm cutting width for great cut performance
- Reach / angles - 3.35m Max Reach (based on a 1.80m person holding the pole in a straightened position at chest level)

Specifications:

- Blade length: 550mm
- Blade gap: 25mm
- Blade speed: 2800spm
- Max Reach: 3.35m
