Part Number	K21750
Barcode	9312753075244
Brand	Kincrome
Packaging + Shipping	
Shipping Weight (Gross)	0.48 kg

The Kincrome Double Edge jigsaw blades allow you to cut in both directions and perform extreme radius cuts. The durable, hardened steel blades are manufactured in Germany to deliver unmatched precision, speed and cleanliness. The Kincrome Skeleton™ jigsaw blades are manufactured in Germany using a patented laser technology that delivers 100% straight cuts while keeping the blade cool. The unique blade design features parallel-cut, gill-shaped notches that are designed to dissipate frictional heat allowing for highly precise cuts while maintaining superior blade durability. Cuts: Hardwood, Softwood, Laminates, Fibreboards & Plastics.

### Features

Double Edge Blades 8-11.5 TPI 115mm

**Wood Blade:** Precision ground high performance blade suitable for fast and extreme radius cutting in hardwoods, softwoods & wood based products.

**10 TPI 100mm Multi-Surface Blade:** Precision ground high performance blade suitable for clean and tight radius cutting in laminates, fibreboard, plastic & softwood products

**Skeleton™ Blades 10 TPI 100mm Wood Blade:** Precision ground high performance blade suitable for straight clean cutting in hardwoods, softwoods & wood based products.

**17 TPI 100mm Multi-Surface Blade:** Precision ground high performance blade suitable for straight clean cutting in laminates, fibreboard, plastic & softwood products.
