Our FASTBACK™ Multifunction Knife (48221540) features a press and flip mechanism providing you easy, one-handed opening. The folding knife has a stainless steel blade that stays sharp. This knife also features a liner lock that secures the blade while allowing you to easily close it when done. A few of the other handy features include a folding tanto blade that is partially serrated for versatility, a fold-out 1/4" bit holder along with a reversible Phillips #2 and slotted 1/4" bit and a built-in bottle opener providing you with added functionality. All this combined with a durable belt clip that reduces pocket tearing and includes a tether-ready lanyard hole.
