Kincrome Trolley Jacks cover a huge range of sizes and weight ratings to suit just about every DIY lifting application - from low profile racing cars to heavy duty 4WD's and SUV's. Kincrome's Hydraulic Trolley Jacks are designed to cater for serious DIY enthusiasts, whilst still ensuring the same level of safety as our top of the range Hydraulic Garage Jacks; Complying with Australian Mandatory Standard: AS 2615:2016.

They feature a collapsible handle for added storage options, convenient carry handle for transportation, as well as smooth nylon wheels and castors for easy manoeuvrability around the garage or workshop.

Kincrome Trolley Jacks incorporate high-quality seals, materials and design to ensure that they can stand up to DIY use.
