Technical - Main	
Diameter	12mm
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	6

Say goodbye to chips. For deep blind holes and through holes in soft and hard wood: The new CENTROTEC auger bits machine rafters and beams with precision. The perfectly adapted thread ensures ideal chip removal. The robust threaded tip allows the drill to be precisely positioned and draws it into the wood, allowing for effortless work. Thanks to the CENTROTEC interface, the auger bits are changed in an instant. They can also be resharpened up to 15 times " for rapid work progress and precise drilling results. **Features:-** Deep blind holes and through holes in soft and hard wood, e.g. for machining rafters and beams
