Mount	FastFix
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

for TPC 18/4, TDC 18/4 and all Festool C and T cordless drills with FastFix fixture (except CXS/TXS). Switch between functions in seconds with the FastFix interface, saving time and eliminating cost of dedicated, single purpose tools. The Festool FastFix Right Angle Chuck is the ultimate solution for tight angles. Drill or drive between studs, joists, cabinet or drawer spaces, or virtually any constrained space without switching over to a separate, dedicated tool. Adjust the angle simply by rotating the green ring – the attachment no longer needs to be released from the machine.

Main Applications-

Angular drilling and screwdriving in narrow places

For absorbing higher torques
