SKU	5041558
Part Number	PO8CW
Barcode	9312198859263
Brand	Multitool
Packaging + Shipping	
Shipping Weight (Gross)	0.0 kg

FEATURES

The Multitool is a renowned, Australian designed belt grinding attachment which can be used on most bench grinders. The technology replaces the grinding wheel and converts a traditional grinder into a sophisticated work station ideal for sanding, grinding, sharpening, shaping, polishing and refinishing.

EFFICIENCY - Superior performance and a user friendly, toolless belt change in under 5 seconds.

VERSATILITY - Grinding, sanding or polishing in 4 positions on rubber contact wheel, platen, disc or free strapping. The unit can also be swivelled vertically or any position in between.

ACCURATE TRACKING - The running position of the belt is simple to adjust and it stays there, allowing for finishing into sharp corners.

QUALITY CONSTRUCTION - Robust, maintenance free with sealed ball bearings, hardened and ground essential components and zinc plating.

3 YEAR WARRANTY - Against faulty materials and workmanship, even when used commercially.

SPECIFICATIONS

48" x 2" (1220 x 50mm) belt

7" (178mm) diameter disc

8" (200mm) diameter rubber contact wheel

5 1/2" (140mm) diameter drive wheel

Suits most 8" or 10" bench grinders with a screw mounted wheel guard and a minimum of 3/4 HP

Suits grinder shaft sizes of 5/8" and 1/2". A steel bush is supplied to adapt the drive wheel to 1/2"

Fitting Kit supplied
