The Milwaukee 15oz Drywall Hammer is designed to reduce vibration with a reinforced handle. The drywall hammer is equipped with our SHOCKSHIELD™ Grip, reducing vibration whilst ensuring maximum durability. The drywall hammer's I-Beam handle is designed to withstand bending. The hatcheted is perfect for scoring plasterboard with a curved cut out to help transportation. This hammer's precision balanced design provides more control for a smooth striking experience.

Features:

SHOCKSHIELD™ Grip - Vibration Reduction
