The BOLT200 Safety Helmet is designed to provide superior protection and comfort for workers in a variety of industries. Its durable Lexan™ shell offers top and side impact protection, while its BOLT Accessory Compatibility allows for easy integration of additional PPE and accessories. For enhanced comfort, the BOLT200 helmet features a padded suspension with an adjustable ratcheting suspension. For hygiene and maintenance benefits, the helmet features a sweatband and helmet liner that is removable and machine washable. The BOLT200 helmet is certified to AS/NZS 1801:1997 standards.

Features

- Helmet provides both top and side impact protection.
- Durable Lexan™ shell.
- Premium ratcheting tightening for a superior fit.
- Inner foam suspension distributes impact force evenly.
- EN397 rated chin strap included.
- Compatible with all BOLT accessories
- Secure up to 3 BOLT accessories simultaneously.
