823700

Option

Graving chisels PROFI are handmade tools of the highest quality, designed especially for proffessional carvers. Blades are made of Chrome-Vanadium tool steel and heat treated to the hardness of 61-62 HRc. The edges are sharpened and lapped with abrasive paste and arkansas stone. Handles are made of beach wood. The surface is stained and varnished.

Single graving chisels are supplied in paper boxes.
